Welcome

Dear Perioperative Colleagues,
on behalf of the Organizing Committees and the EORNA Board of Directors, It gives us great pleasure
to extend a warm invitation to you to join us at the 7th European Operating Room Nurses Congress
to be held in the beautiful eternal city of Rome, Italy, from May 7 to May 10, 2015. This promises to be
another exciting educational, networking, social and cultural experience for one and all.
Our theme for this Congress is “The Art of Perioperative Care eternally evolving”. The Scientific
Committee of the Congress is ensuring that we will have a diverse and interesting educational
programme to inform and advance perioperative nursing knowledge. There will be oral and poster
presentations from many corners of the Perioperative world. There will be a medical devices and
equipment exhibition provided by our partners in industry, which will keep us up to date with
technology changes and product advice. The industry will also host workshops in specific areas.
There is an exciting social and cultural programme planned for delegates and accompanying partners
to absorb the pure magic of the enchanting city of Rome. This famous city is, to many, like an open
air museum, rich with architectural, historical and culinary delights. Situated on the river Tiber and
built on seven hills this fascinating city has something to offer to all, including shopping, sightseeing or
simply soaking up the atmosphere at one of the numerous side-walk cafes.
We look forward to seeing you there to participate and to celebrate together the eternally evolving
role of the perioperative nurse.

Yours sincerely,
Caroline Higgins                         Mirella Lepore                                                  Liz Waters
